

INDUSTRY TO INDUSTRY, INC. MISSION STATEMENT

Industry to Industry, Inc. is dedicated to represent the services of our Principals to match or exceed the expectations of our Customers. In doing so, it is crucial that we work in a team environment and constantly keep informed of emerging technology and market changes.

We are successful when our Principals --

- Look towards us for advice and leadership.
- Continues to invest in their business.
- Treats us with honesty and integrity.
- Continues to help us help them.

We are successful when our Customers --

- Look towards us for sourcing advice.
- Solicits us for design recommendations.
- Are satisfied with the performance of our Principals.
- Reward us with repeat business.

The accomplishment of our goals, combined with the ability to keep learning, will undoubtedly result in long term, secure relationships with both Principal and Customer base.

Paul R. Kruschke
President
